

Lucky number 1,000 in Cumbria

cottages.com hits its thousandth property milestone

A property in Cumbria has been unveiled as a milestone signing for leading holiday cottage company, **cottages.com**, which is proud to announce the latest addition to its portfolio.

All Hallows Nave House in Kendal (property reference [UK1123](#)) is as quirky as its name - a unique architecturally re-designed church, it has been built to a high specification and retains original features such as the original stained-glass window and beams. Sleeping four in three bedrooms, it is the perfect property for an alternative stay in the region.

Commenting on the occasion, **cottages.com** Area Manager for Cumbria, Mark Whitehouse said: "We're seeing Cumbria increasing in popularity for holidaymakers, especially since the Lake District World Heritage announcement – so it's very fitting to have reached this milestone here.

"All Hallows Nave House is a remarkable property and we're proud to be working with the owners here in Cumbria. We also welcomed **cottages.com**'s 100th and 500th properties this year locally, which represents the type of service we can provide holiday let owners and the benefits it can bring them, which is very important to us."
