## Earby-based cottages.com up for 'British Travel Award'

A local holiday firm has been nominated for one of the travel industry's highest accolades.

Earby-based cottages.com is up for the **Best UK Holiday Cottage/Self Catering Holiday Booking Company**. With more than 19,700 properties available across the UK, France, Ireland and Italy, it's one of the larger organisations in the category.

Voting is currently open to the public and the winner will be announced at a Gala Awards dinner in London on Wednesday 23rd November.

Nick Rudge at cottages.com said: "We're so proud of the team for getting us into a position where we can be considered for an award of this calibre. As a brand, cottages.com is still under a year old, so it's an incredible achievement.

"We work extremely hard to offer the best product and customer service and continually enhance our website and systems to ensure everyone who books with us has a great experience. It's an honour to be included in these prestigious awards."
