## Designs on the Perfect Cottage

### Colouring Competition Winners at Local School

Four lucky pupils at Earby Springfield Primary School were today celebrated for their artwork in a competition run by Earby-based holiday letting company **cottages.com**.

As part of the company's new brand launch, students at the local school were invited to take part in a colouring competition to decorate their perfect holiday cottage.

Winners were chosen from four age groups and Helen Khan, VP of Human Resources at cottages.com visited the school today for the prize presentation.

Helen commented: "It was great to see how creative the children were in designing their ideal cottage and we were so impressed by the entries received. As a business we have a lot of history in Earby and with the launch of cottages.com, we wanted to share our success with the community. Last week during our Open Day, we had the winning entries on display for visitors to see, so it's lovely to come and meet the students today to thank them in person."

Mrs Kemp, Deputy Head at the school said: "We are always pleased to participate in community activity and build links with local businesses. The children were thrilled to be able to visit the cottages.com office in Earby and see their winning artwork displayed in reception for everyone to see."

The winners were: Abigail McAdam (Reception class), Amelie Harper (Class 1), Rosie Hill (Class 3) and Macy Rawlinson (Kingfishers) with each child receiving a Crayola art set.
